

POLIBRUSH™

RAPID TROWEL CLEANING SOLUTIONS

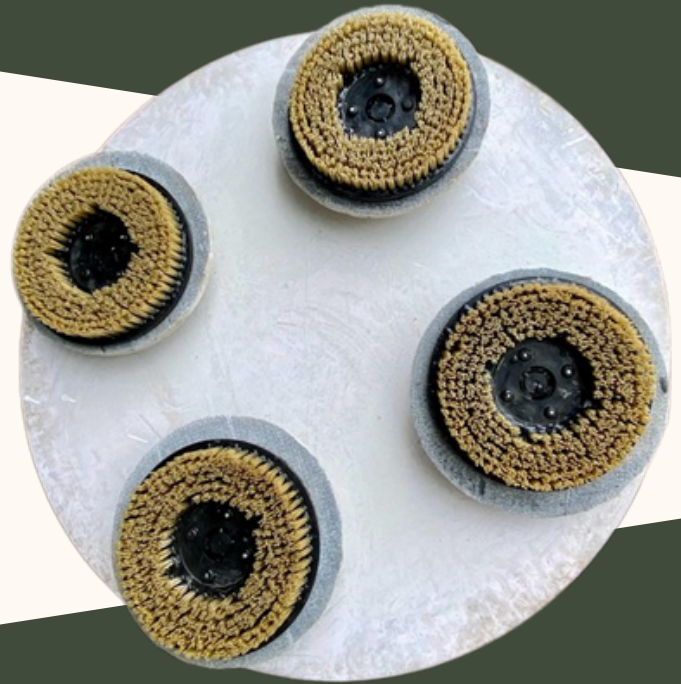

Product Description:

POLIBRUSH™ is the newest offering from Polishia Floortek Solutions.

As you polish floor rapidly with POLISHIA™ Rapid Trowel Polishing Solutions. POLIBRUSH™ offers floor cleaning solutions rapidly too.

Just push POLIBRUSH™ attachment under your ride on trowel, spray water on the floor & you're ready to clean floor in no time. Clean your floors upto 5000 samtrs in a day.

As concrete flooring spaces are getting bigger and bigger users are hard-pressed to utilise their spaces economically & in a time-efficient way. There is very little time for busy floors to be cleaned & do extensive maintenance regimes. POLIBRUSH™ attachment is a reliable and effective way to clean your floors in a short time. It offers flexibility to clean your floors as per your requirements. POLIBRUSH™ comes with different hardness compositions. It offers attachments to clean gently in non abrasive way or you can use a very abrasive way to clean your sticky and stubbornly contaminated floors.

POLIBRUSH™ COMES IN 280 MM DIAMETER RINGS. IT HAS STRONG VELCRO PASTED ON THE BACK SIDE. DIRECTLY PASTE 3-4-5 POLIBRUSH BELOW YOUR ATTASHIA DISC ATTACHMENT. YOU CAN TRANSFORM YOUR GRINDING ROT POWER TROWEL TO BRUSH CLEANING, ROT POWER TROWEL IN JUST FIVE MINUTES. NO NEED TO PURCHASE A SEPARATE BRUSHING MACHINE. SAME MACHINE DIFFERENT ATTACHMENT & YOU ARE READY TO DO THE DIFFERENT APPLICATION
